

Jackpot Printing

Black/White Copies
Cut Size: 8.5" x 14"

— = Cut Line

— = Safety Line

- When opening or importing template files make sure to do so at 300DPI, CMYK Color Mode.

- All text, logos, and other important elements must stay within the green box. If they are outside of the green box you risk them getting trimmed off during cutting.

- Please delete this template layer before submitting your artwork.
