

Jackpot Printing

Black/White Copies

Cut Size: 5.5" x 8.5"

—— = Cut Line

—— = Safety Line

- When opening or importing template files make sure to do so at 300DPI, CMYK Color Mode.

- All text, logos, and other important elements must stay within the green box. If they are outside of the green box you risk them getting trimmed off during cutting.

- Please delete this template layer before submitting your artwork.
