

IMPORTANT: FOR ALL  
ENVELOPES YOU MUST  
LEAVE AT LEAST 3/8" (.375")  
GRIPPER ON THE BOTTOM  
OR THE TOP.

# Jackpot Printing

9" x 6" Envelope

— = Cut Line

— = Safety Line

- When opening or importing template files make sure to do so at 300DPI, CMYK Color Mode.
- All text, logos, and other important elements must stay within the green box. If they are outside of the green box you risk them getting trimmed off during cutting.
- Please delete this template layer before submitting your artwork.
