

Jackpot Printing

Sticker

Cut Size: 2.5" x 2.5"

- - - - - = Bleed Line
- = Cut Line
- = Safety Line

-When opening or importing template files make sure to do so at 300DPI, CMYK Color Mode.

-If you would like your final product to bleed (images or colors printed to the cut edge) you must extend your colors or images to the red dotted line. Anything outside of the black cut line will be cut off.

-All text, logos, and other important elements must stay within the green box. If they are outside of the green box you risk them getting trimmed off during cutting.

-Please delete this template layer before submitting your artwork.

SAFE ZONE

DO NOT place important texts or images beyond the dotted area to prevent trimming.

TRIM

This is the actual cut of the final design.

BLEED

Extend your artwork to the edge of this template if you want your design to extend to the edge of your final prints.
We require 1/8" bleed.
